3M™ Print Wrap Film

IJ280

Goes from 0 to wrapped, faster.

Preferred by installers globally,* this print wrap film for vehicles is up to 20% faster to install* and proven to lift 2x less.* It boasts exceptional performance and ease of use that will help you finish first.

- ▶ Excellent print quality and durability
- ▶ Conforms with less heat*
- ▶ New 3M™ Comply™ v4 Air Release for max air flow and smooth results
- ▶ New, proprietary adhesive with optimized initial tack, slide and repositionability
- ▶ Removes cleanly at end of life with heat

Wrap fast. Wrap fearlessly.
