

Material Safety Data Sheet

HT-9260

Version 1
Revision date 2023/1/10
Print Date 2023/1/15
Page 1 of 3

1. IDENTIFICATION OF THE SUBSTANCE / PREPARATION AND THE COMPANY

Product Information

Item name : Hot Melt Powder HT-9260
CAS NO.: 9009-54-5

Company Information

Telephone :
Fax :
Emergency telephone :
Emergency fax :

2. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical nature

Linear saturated polyurethane

Other Information

The base materials of the polymer are included in the EINECS Inventory.
This sheet describes a group of products. It only contains safety-relevant data.
For specific data, see product Information sheet.

3. HAZARDS IDENTIFICATION

None

4. FIRST AID MEASURES

General advice
No special measures required.

5. FIRE-FIGHTING MEASURES

Fumes from complete or incomplete combustion of this material may include carbon dioxide, carbon monoxide and water vapour.

Human protective equipment

Respirator fitted with high efficiency particulate filter and organic vapour cartridge is used

Suitable extinguishing media

water spray, foam, CO₂, carbon dioxide, dry powder

6. ACCIDENTAL RELEASE MEASURES

Personal precautions : None
Method for cleaning up : Use mechanical handling equipment

Material Safety Data Sheet

HT-9260

Version	1
Revision date	2023/1/10
Print Date	2023/1/15
Page	2 of 3

7. HANDLING AND STORAGE

Handling : Wear adequate breathing apparatus to avoid inhaling. Good ventilation system should be applied in working place.
Local safety regulations should be followed when handling in special occasion

Storage : Keep in dry and low temperature place with well-closed containers.
Away from Heat.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Components with workplace control parameters
Personal protective equipment : No required

Engineering measures

In case of dust being formed, provide for adequate extraction.
In case of thermal processing, provide for extraction of the vapors or adequate ventetion.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Form	solid pellets or powders under room temperature
Color	milky white
Odor	odorless

Safety data

pH	not applicable
Melting point / range	105- 115 °C
Boiling point / range	not applicable
Flash point	not applicable
Ignition temperature	>350°C
	Method :DIN 51 974
Vapor pressure	not applicable
Density	1.1 g/cm3 (20°C)
Water solubility	Insoluble

Further information The range of values given profiles with the variation range of the product group.
The specific physical chemical data can be read in the product information

10. STABILITY AND REACTIVITY

Thermal decomposition	>350°C
Hazardous reactions	No dangerous reactions known

11. TOXICOLOGICAL INFORMATION

No harmful effects have become known as yet.

Material Safety Data Sheet

HT-9260

12. ECOLOGICAL INFORMATION

Elimination Information (persistence and degrade ability)
Behavior in environmental compartments
Ecotoxicity effects

Further Information on ecology :

The product is a water-insoluble, solid polymer which, under environment conditions, is not expected to have a detrimental effect on plants or animals or microorganisms.

13. DISPOSAL CONSIDERATIONS

With respect to local regulations, e.g. dispose of the suitable waste incineration Plant. A waste code in accordance with the European Waste Catalogue(EWC) may not be assigned to this product since it admits of a classification only when the consumer uses it of some purpose.
In agreement with the waste code determined by regional waste disposal authority.

14. TRANSPORT INFORMATION

Transport / further information
Not classified as dangerous in the meeting of transport regulations.

15. REGULATORY INFORMATION

Labeling according to EEC directive
Statutory basis Not subject to labeling provisions by Directive 67/548/EEC

Follow national legislation or local regulations on non-hazardous plastic materials.

16. OTHER INFORMATION

Changes since the last version will be high lighted in the margin.
This version replaces all previous versions.

The data presented here correspond to the present state of our knowledge and experience and are intended to describe our products with respect to possible safety demands. We imply with this however no guarantee of properties or description of qualities.

For any other information pls contact
